### *A Note from the Director*

*Ain't Misbehavin'* is a loving tribute to Mr. Thomas "Fats" Waller's incomparable jazz music. He and countless other young, vibrant African American writers, artists, poets and musicians found themselves in Harlem, New York in the 1920's. Through community and collaboration, they were inspired to transform life experiences into the creative explosion that would become the Harlem Renaissance. The literature, poetry, and music these artists created almost a hundred years ago have become a part of our American culture. I bet you will be surprised at how many songs in *Ain't Misbehavin'* you already know!!!

So sit back and enjoy the soul stirring, toe tapping sounds of Fats Waller's lyrical melodies as Toby's phenomenal performers take you on a musical journey of love, heartbreak, resilience and joy. *Ain't Misbehavin'*... and we ain't neither!

**Monique Midgette**

A special thank you to **Tom Alonso, Bob Reed, and Rachel Sandler**  
for your support of this theatre.

## How Do I Tip...?

The answer should be based upon your own personal assessment of the service you have received from your actor/waiter. Generally, tipping is based on the price of admission plus any beverages purchased from the bar.

If the service has been satisfactory, a tip of 15% is customary.

For those customers who purchased their admission through our group sales department, a gratuity was included in the admission price. Any beverages purchased by you from your actor/waiter, however, did not include a gratuity. As such, a 15% gratuity on those purchases is customary.

Should you find that your actor/waiter has provided you with outstanding service, your recognition of this would be gratefully appreciated. In the event your service has not been up to our excellent standards, please ask to speak to one of our managers.

Thank you for your generosity, and enjoy the show!
